Newsletter -Week 12 Term 2 2020

Wednesday 1 July 2020

Truthfulness Respect Trustworthiness Confidence Cooperation Compassion Honesty

Important Dates to Remember:

July 3	Rm 3 Big Day Out
July 3	Last day term 2
July 20	First day term 3
July 20	Year 7/8 Technicraft begins
July 23	Oroua Cluster Year 7/8 Afternoon
July 27	BOT Meeting

VIRTUE OF THE MONTH

TRUSTWORTHINESS

Trustworthiness is being worthy of trust. People can count on you to do your best, to keep your word and to follow through on your commitments. Others can rely on you. They can trust that if it is at all possible, you will do what you said you would do, even if it becomes really hard. When you are trustworthy, others can be sure of you and you can be sure of yourself.

Kia ora

School holiday time is fast approaching! We congratulate our students on the way they settled back into school after lockdown and their normal everyday school work.

We wish you all a safe, restful, happy break.

ATTITUDE- A positive attitude goes a long way- With a positive mind set you remind yourself that effort makes you stronger, you can get better with practice and getting better at something takes time.

KINDNESS – It has been wonderful to witness acts of kindness in our playground on a daily basis.

He aroha whakato, he aroha puta mai. (If kindness is sown then kindness you shall receive.)

REMINDER - ROAD CROSSING

For safety reasons we ask that if you park across the road when you drop off or pick up your children that you **come over to the school** with them/come over to collect them or see them safely across the road. If possible it is a good idea to back into your parking space to make it easier to see young children as you leave.

PLEASE REMEMBER

The speed limit for **passing** a stationary **school bus** that is dropping off or picking up children is **20kph** in either direction.

Let's help **KEEP OUR CHILDREN SAFE!**

Today we have Constable Dyason working with us around road safety and training our bus monitors and traffic wardens.

CLOTHING

Please, please, please name your children's clothing. Just their name on the tag if it is a white tag is sufficient. It enables us to return clothing to its rightful owner.

KIMBOLTON SCHOOL SUPPORT COMMITTEE

The staff and children thank the KSSC for their wonderful support. The group is more than just a fundraising group and all parents are welcome to come along to meetings.

FROM FIONA JACQUES

My name is Fiona Jacques, I have been a part of the K.S.S.C (Kimbolton School Support Committee) since 2014 and at our AGM earlier this term was elected Chairperson. The KSSC is made up of school parents, past parents and school staff members and we meet once or twice a term. At our recent AGM we reviewed and voted on policies including –School Camp Donations, where the KSSC will contribute 25% of each student's camp cost. Class Room donations, where each class, Enrichment and the Library receive $500. This money can be used to purchase extra resources. The KSSC has also committed to pay for another year's subscription to the Mathletics App. Teachers are also encouraged to add items and resources they would like to a "Teachers Wish List" which then is brought to a meeting. Last year

the KSSC spent over $1500 on resources from the teachers wish list.
The KSSC are also committed to keeping up the maintenance and upkeep of the Kiwi Room (school hall). This building is owned by Kimbolton School, not the Ministry of Education, therefore we do not receive any funding to maintain this building.

So what does the KSSC do to keep funds coming in? We have a few set fundraisers that we commit to every year- Oroua Swimming Sports where we provide a BBQ and baking for the cluster schools to purchase. Last year this made us $1,034. The Kimbolton Sculpture Festival- where we had a sweet shop, which made $1,278. Phone Books- Delivery of phone books around Kimbolton, Apiti, Rangiwahia (this year also included Cheltenham, Waituna West and Kiwitea). We made $902.00 from this. Cross Hills Country Fair-Parking Cars, Raffle and stall which made $2144. School Pet day- BBQ, baking and soup made $750. I would like to thank all the parents, grandparents and students who volunteered to be at a stall, provide baking, help with car parking and deliver phonebooks. It really does make a difference.

Worth mentioning is that the senior class, Room 3 also do their own fundraising towards their own camp. Last year with their Easter raffle, pet day stall, cake auction and firewood raffle they raised $3,427.00!

So how come we don't do big massive fundraisers? Our Stock Scheme. The KSSC purchase the stock and we have families that raise these animals on their land. Thank you very much to those families, it is not just a short term thing. Thank-you for putting in the time and effort into raising these animals. I would really like to give a special shout out to Dan Coleman, our stock manager who has kept the scheme running so smoothly over the years.
If you have any ideas or suggestions, or would just like to sit in on a meeting please do come along. We would love to see you there.
The most recent meeting minutes are displayed on the school notice board which is on the right side of the wall as you walk down the corridor.

SKI TRIP

At the last KSSC meeting there was a question asked around the possibility of a ski trip this year. I have looked into this and been informed that, due to Covid-19 there is limited capacity for school groups at Turoa and none at Whakapapa (Already fully booked) and they will only cater for intermediate/advanced skiers/snow boarders. The Alpine Meadow (beginner area) and Wintergarden (Advanced beginner/intermediate area) at Turoa will not be opening and therefore there will only be lessons for more advanced skiers and snowboarders. This is due to a large proportion of the instructors being sourced internationally. For the above reason we will not be offering a ski trip this year.

ICAS ASSESSMENTS

Test dates are:
English – the week of 24 August to 28 August
Maths – the week of 31 August to 4 September
These are now online assessments designed to recognise academic excellence. Students are assessed on their ability to apply classroom learning to new contexts using higher-order thinking and problem solving skills.
The cost per test this year is $15.95 AUS. Please check currency converter if you wish your child /children to do either or both of these assessments.

INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS (Year 4-8)

STUDENT WRITING

Room 1 Cat Poems

CATS

Happy Cats
Black, stinky, wild cats
Sleepy, fluffy, soft cats
Those are just a few.

Eager cats
Grey cats
Fast, fast, fast cats
Ragdoll, hungry, lazy cats
Siamese cats too.

Albino cats
CUTE cats
DON'T forget the sleek cats.

Last of all, best of all,
I like black cats.

Cohen Clifton

CATS

Black cats
Smart cats
Big, ugly, fat cats
Missing, good, lazy cats
Those are just a few.

Old cats
Young cats
Hungry, sneaky, long cats
Scared, bad, tabby cats
Fluffy cats too.

Great cats
Playful cats
Don't forget the dead cats.

Last of all best of all,
I like fat cats.

Darcy Jensen

FOX'S ADVENTURE

Ears pointed up in the sky. Head in the cold, damp snow. Legs arched. Tail curved. Thick coat insulating him. Searching for food.
Where is my food he wondered? Aha I must have to go over more. Nrrr! Casplunk.
"Don't worry my face has broken my fall" said Fox.
"I can see you. Come over here. I just want to talk over a nice pot of rodent stew," whispered fox.
"ARRRRRR! Are you crazy? "said the gerbil.
"Nope. Just hungry," said fox. "I need to dig my way out of the snow. I'm stuck! Mummy, help me, I'm stuck!!"
His legs were flying around like ribbons in the wind.
"What did I tell you about jumping head first into the snow?" asked fox's mother.
"Ummmm. Not to, but I was hungry," replied fox.
"This is how you do it" said his mother.
"No! Don't jump there," yelled fox.
CRASH.
"Why is there a rock in the middle of the snow? Put that camera down and leave!" yelled his mother.
Nate Henricksen

ENVIRO DAY

What a fantastic day we had. Our thanks go to Heidi Morton for organising the day and to Rowena Brown and Sarah Williams for working with us. Everyone learnt a lot and we are keen to hold these days more regularly. There are four sections to science in the New Zealand curriculum and all learning from the day fitted beautifully into the Living World section.

ENVIRO DAY – cont.

Our commitment to Enviroschools Education this term included an Enviro Day, held on Thursday 18th June. Students were divided into mixed-age groups where they completed 6 rotations throughout the morning. Activities included planting seeds in decorated pots, making pinecone bird feeders, devising a game with native birds and their predators, making Art with leaves and wool, learning about native and introduced fish and completing a Bug Hunt. Our education programme was supported by Sarah and Rowena from Horizons Regional Council. The afternoon programme involved students working in House Groups to complete an A-Z of everything Enviro. The day was very enjoyable and we hope you heard something about your child's learning that day.

Heidi Morton
Enrichment/Enviroschools Teacher

TEACHER ONLY DAY
FRIDAY 4 SEPTEMBER

The Kāhui Ako is planning a mini conference for all principals and teachers in the Kāhui Ako on FRIDAY 4 SEPTEMBER, therefore it will be a teacher only day.

STUDENT COUNCIL

At our last meeting the Student Council voted in Holly McIntyre as their chairperson and Archie Morton as the deputy chairperson. Our congratulations go to them both.

HEAD LICE

Please remember to check and if needed treat your children's hair.

ROOM 3 BUSINESS PRODUCTS FOR SALE

Prior to lockdown Room 3 were very busy learning about business and creating products to sell at the Sculpture Festival. With the cancellation of the festival they still have products to sell.

For sales see the following people:

CACTUS PROGRAMME

This year three of our past pupils took part in the Cactus Programme held at Feilding High School. The Cactus Programme is run in many high schools in New Zealand each year. It is an eight week programme of challenging physical activities which requires a high level of commitment from both the students and their families. The aim of the programme is to build young people's confidence, skills and personal belief.

We congratulate the following past pupils for successfully completing the programme which finished with "The Longest Day" in Feilding on Sunday.

Past-pupils Wade McIntyre, Bonnie Jacques and Kylie Jones, along with other members of the Cactus Programme carrying the lamp post up Highfield Hill in Feilding on The Longest Day.

COVID-19 UPDATE FROM THE MINISTRY OF EDUCATION

At a time where there are increasing numbers of colds and other winter illnesses, the Ministry of Health has revised its guidance on who might need testing for COVID-19. It is important to note that there is currently no known community transmission of COVID-19 in New Zealand. The vast majority of adults, children and young people with symptoms consistent with COVID-19 will not have COVID-19.

Symptoms of COVID-19 can include new onset or worsening of one or more of the following:

- Cough
- Fever
- Sore throat
- Runny nose
- Shortness of breath/difficulty breathing
- Temporary loss of smell

Health's information on who should get tested notes that people with any of the COVID-19 symptoms who are close contacts of confirmed cases, have recently travelled overseas, or been in contact with recent travellers, should get assessed. If anyone has symptoms but is unsure if they have been exposed to COVID-19, they should ring Healthline on 0800 358 5453 or their GP for advice. Over winter there are many other viruses about that can cause people to feel unwell and have symptoms similar to those of COVID-19.

Some people with symptoms consistent with COVID-19 may be tested as part of Health's

ongoing surveillance to ensure that there is no community transmission in New Zealand. If they are not close contacts of confirmed cases, have not recently travelled overseas, or have not been in contact with recent travellers, then there is no need for them to self-isolate while awaiting the test result, and they can return to school or early learning once they are feeling well or on the advice of their health practitioner.

If not recommended for testing, they will be able to return to school or their early learning service when they are feeling well and no longer displaying symptoms.
Further information about testing can be found on the Ministry of Health website.

SCHOOL PADDOCK UPDATE
Towards the end of lock down the school paddock was developed with the bike track being shifted to the outside of the paddock and the paddock being fertilized, levelled and re-grassed. Since then fruit trees have been planted at the western end of the paddock. If anyone has any other ideas for the paddock, don't please hesitate to contact Linda.

The school would like to thank the following for their help with the paddock:

Mike Winder Ground spraying
Ravensdown
Paki-iti
H&T Agronomics
W Brown Contracting
Horizons Regional Council

YUMMY FRUIT COMPANY
Yummy are stoked to be able to run the sports gear promotion again this year, especially with everything going on, so thanks for taking part.

Winter is a great time to be eating Yummy apples, we have so many different varieties to choose from right now. We will be running a couple of school holiday competitions on our social platforms, so look out for those on both Facebook and Instagram. Remind the kids to eat lots of apples and collect the stickers for your school over the school holidays. Hope you have a good break.

HUNTERVILLE HOCKEY HALF

A 21km (half marathon) virtual run/walk event

Friday 17 July – Sunday 19 July

$25 per person

Complete the whole 21km in one go, or spread it out over the 3 days.

Do it by yourself, with the kids or use it as an excuse to get out and about with friends.

A great way to get active and support your local hockey team.

Everyone who registers gets a medal to commemorate the event and there will be spot prizes!!

Registrations close Thursday 16th July

Details can be found on our Facebook page: HuntervilleHockeyHalf

Email: huntervillehockeyhalf@gmail.com

Or call Anna 06 3228747 or Elysia 06 3228739

You will find the link to our registration form on our Facebook page or we can email this to you. If you are not tech savvy, give one of us a call and we can fill it out for you.
